The title card theme was removed for the surround mixing. Thus, it is only heard up to [v1.2.0](#) (stereo audio).

In other languages

Other languages use evolutions of [v1.3.0](#) as their base, so the title card theme is absent in all of them.

French

The episode was converted to PAL (sped up and pitched up by $1001/960 \approx 1.04$).

The opening uses the French version of [Sonic Drive](#).

The ending uses the instrumental version of [Mi-Ra-I](#).

Korean

The opening uses the Korean version of [Sonic Drive](#).

The [Sonic Drive](#) insert at 18:13 is replaced by the Korean version.

The ending uses the Korean version of [Mi-Ra-I](#).
