Episode

There are 78 episodes in Sonic X.

The conventional length of an episode is 24:35, or 24:05 for episodes 52 and 78.

Seasons

Season 1 spans from episodes 1 to 52 and season 2 spans from episodes 53 to 78.

The English dub made by 4Kids Entertainment splits the series into three seasons of 26 episodes.

Arcs

The separation of the series into arcs is not an exact science.

The usual split is something like this:

- Episodes 1 to 13 are the *New World* arc.
- Episodes 14 to 26 are the *Chaos Emeralds* arc.
- Episodes 27 to 32 are the *Chaos* arc.
- Episodes 33 to 38 are the *Shadow* arc.
- Episode 39 is on its own as a recap episode.
- Episodes 40 and 41 are the *Egg Moon* arc.
- Episodes 42 to 46 are the *Emerl* arc.
- Episodes 47 and 48 are the *Murasia* arc.
- Episodes 49 to 52 are the *Homebound* arc.
- Episodes 53 to 78 are the *Metarex* arc.

Part A and part B

Part A of an episode ends after the first [eyecatch card](#). Part B starts at the second one.

For [episode 52](#), which does not have eyecatch cards, the split between part A and part B is made at 18:42.
